The British Ragdoll Cat Club Breeders Seminar

Plumley Village Hall, Plumley Moor Road,

Plumley, Nr Knutsford Cheshire WA16 0TR

Saturday 10th June 2017 Novices & Sunday 11th June 2017 Advanced

10am to 1230 & 1:30 to 5pm

You are invited to join us for our seminar. Anyone with an interest in breeding or showing Ragdolls is welcome.

For new and novice breeders we will focus on good husbandry, preparing for your first litter of kittens, basic genetics and breeding practices. We will examine GCCF requirements, the Ragdoll Breeding Policy and what to look for in a kitten with show and breeding potential, how to predict the patterns and colours of Ragdolls and how to select compatible pedigrees. During the afternoon delegates will have the opportunity to test their skills in assessing the cats and kittens on exhibition.

Breeders should be aware that once you become a Probationary Breeder with TBRCC you will be expected to attend an advanced seminar either on the following day or following year having successfully raised a litter of kittens, & met the probationer requirements, after which you can apply to become a full breeder and added to the full Registered Breeders list. A period of a minimum of one year probationer period is required before being able to apply to become a full Breeder. Probationer breeders need to apply for breeder membership then request to be put onto the breeders list.

Tea and coffee are available on arrival only, you may bring lunch or purchase from nearby garden centre.

Donations of raffle prizes are always welcome.

The committee reserves the right to cancel a function should there be insufficient interest.

Please return the tear off slip **at least two weeks prior to the seminar**, the venue details will be sent to you.
