

# ***The British Ragdoll Cat Club Breeders Seminar***

***Plumley Village Hall, Plumley Moor Road, Plumley, Nr Knutsford Cheshire WA16 0TR***

***Saturday 31st August 2019 & Sunday 1st September 2019 9:30 to 1230 & 1:30 to 5pm***

You are invited to join us for our seminar. Anyone with an interest in breeding or showing Ragdolls is welcome.

For new and novice breeders we will focus on good husbandry, preparing for your first litter of kittens, basic genetics and breeding practices. We will examine GCCF requirements, rules and regulations, the Ragdoll Breeding Policy and what to look for in a kitten with show and breeding potential, how to predict the patterns and colours of Ragdolls and how to select compatible pedigrees. During one afternoon attendees will have the opportunity to test their skills in assessing the cats and kittens on exhibition.

Breeders should be aware that once you have attended one day of a seminar you can apply to be a probationary registered breeder with TBRCC. This entitles you to be placed on our registered breeders list and also advertise your kittens on our kitten list. You will be expected to attend the second day of the seminar either on the following day or following year having successfully raised a litter of kittens and met the registered breeder's criteria, after which you can apply to become a full registered breeder. A period of a minimum of one year probationer period is required before being able to apply to become a full breeder. Club members will be eligible to have their GCCF prefix application signed off following attendance of one day of the seminar. Every breeder is expected to know GCCF rules and regulations including updates and also TBRCC rules and the registered breeder's code of ethics.

Tea and coffee are available on arrival and during the day. Please bring your own lunch or purchase from nearby garden centre.

Donations of raffle prizes are always welcome. All Monies go to our TBRCC Ragdoll Rescue Fund.

The committee reserves the right to cancel a function should there be insufficient interest.

Please return the tear off slip **at least two weeks prior to the seminar**, the venue details as above.
