Guide To Title Rosettes/AGM Trophy Points System

1. AGM trophies and title rosettes/certificates are eligible to all fully paid up members for their Ragdolls/Household Pets/Pedigree Pets that they show at GCCF shows.
2. To qualify, you must be a fully paid up member when the awards are presented at the TBRCC AGM.
3. To claim a rosette and certificate for your cat gaining its title during the show year, please complete the 'Title Claim Form' document. There is no requirement to send copy certificates. All claims will be checked against GCCF title records on the GCCF website. You do not have to compete in the Trophy Points System to claim your award if you do not wish to. Please send all claims to the Show Support Secretary for titles gained before 31st January of each year to arrive no later than 14th February each year.
4. The trophy points system show year runs from 1st February until 31st January. You can only claim for a maximum of ten shows. Claim for your best ten shows. Only points claimed on the 'Trophy Points Forms' will be eligible for AGM Trophies. Do not use the Show Results Forms for this purpose. They will not be included.
5. If your cat is entered into more than one 'open', you can only claim points for one 'open'. i.e. If you win an Imperial certificate and a Grand certificate you can only claim for one award. Please note that Best Of Breed wins are always claimed.
6. You can only claim points for a maximum of three side classes. You must not claim points for club classes of a different cat club (i.e. Yorkshire Cat Club class). Every cat club will have it's own trophy points scheme for this purpose. Some shows do offer TBRCC club classes and we have a special award for the cat with the highest number of points gained in these classes. Do enter these classes where possible.
7. Best of Variety and Best In Show wins count for ten points. If your cat wins a BOV (best of variety) award please claim ten points, if it then goes on to win a higher award (best in show) do claim another ten points. That way you are being rewarded for each stage up the ladder.
8. There are special forms for Household and Pedigree Pets sections. Please do not include any registration details about any pedigree pets claiming points/awards. You must always use the pet name that you enter in shows under. No details as to colour/pattern/breed number or breeder. Where the breeder is known to the owner and they are a member of TBRCC, points will not go towards 'Breeder Of The Year' award. This is for cats in the Pedigree section only. Only cats in the Pedigree section can win Ragdoll Of The Year as they are classed as Ragdolls on their show entry. Points won in these sections do count towards 'Showman of the Year' and 'Newcomer to Showing' and 'Junior Showman of the Year' awards.

If you have any queries about how to fill in any forms or on the above then please contact:
